

## OFFICIAL TOURNAMENT RULES

1. Teams of up-to four members may play
2. Each team is to record one score for one round. Golf must be played at an 18-hole, par-70-72 course (scores will be adjusted based on slope rating). We will have a winner for the lowest score on any course and the lowest score on the hardest courses.
3. Registration fee of \$40 per player (does not include course greens fees) entitles golfers to receive one entry prize pack (ball divot tool, poker chip ball mark, Titan Gear), and be officially entered into the tournament. The top three finishing teams will all receive additional prizes. Prizes can be won for additional accomplishments as described on the next page. **Recommended that one individual or "team captain" register the foursome online.** (If each member of your team needs to register individually, contact Tony Bankston at bankston@iwu.edu).
4. Scoring is traditional scramble format and please submit ONE FINAL SCORE CARD for the group. Scorecard should include par for the course and slope rating.
5. ONE SCORE per team should be submitted to iwusports@gmail.com by October 18 at 11:59 p.m. CT.
6. Honest, fair scores should be reported. No mulligans or other forms of relief are to be taken other than those available through event options.
7. Any questions can be directed to Tony Bankston by email at bankston@iwu.edu.
8. Compilation video will be shared with all participants after the tournament concludes.
